REVOLUTIONIZING PHARMA WITH GENAI GOVERNANCE AND LLMOPS

January 23, 2025
5:30 PM-9:00 PM

Eastern Time

In collaboration with AWS, Fractal is hosting an exclusive roundtable discussion focused on Gen AI. Pharma industry leaders, AWS, and Fractal tech experts will engage in real-world adoption and scale-up in production use-cases, LLMOps (Large Language Model Operations), to enable governance, responsible AI, operational efficiencies, and risk management.
