# THE FUTURE OF ENTERPRISE INTELLIGENCE: CONNECTING DATA, ANALYTICS, AND AGENTIC AI

**September 22, 2026**

5:30 PM-9:00 PM

Eastern Time

To make timely, strategic decisions, AI agents need the ground truth of the business from trusted data across multiple sources. Enterprise data infrastructure needs to provide speedy, reliable access with the right context, every time. Join us for a candid conversation about the business, technology, and leadership decisions required for next generation of analytics.
