DRIVING CUSTOMER-LED GROWTH WITH AGENTIC AI

August 20, 2025
5:30 PM-9:00 PM
Eastern Time

Amidst budget constraints and increased demands, how can businesses drive growth efficiently?
Explore how Agentic AI technologies such as AWS Connect empower customer-centric strategies, turning data into actionable opportunities. Discover industry insights on AI's role in personalizing interactions, predicting needs, and optimizing experiences while managing costs.
This event is perfect for CIOs, CTOs, and business leaders seeking innovative growth strategies. Learn to navigate challenges and drive progress by focusing on customer-driven solutions with AI.
