GENERATIVE AI AND ENTERPRISE ADOPTION: HOW ENTERPRISES ARE MATURING DURING THEIR GENERATIVE AI JOURNEY

October 10, 2024
5:30 PM-9:00 PM

Eastern Time

Join us in New York City to discuss how data and AI can propel your organization forward. During this time, we'll dive into generative AI and how companies are maturing on their journey. Find out how to incorporate AI, one of the biggest disruptors in business, into your data strategy. We look forward to welcoming you to this world-class experience as you enjoy some of the best that New York City has to offer while engaging and networking with your peers
