GENAI UNLEASHED: BUILDING SMARTER STARTUPS

November 25, 2025
6:00 PM-9:30 PM
Central European Time

Over dinner with Berlin's leading startup CTOs and founders, explore how generative AI is moving from concept to core. Discuss how to harness its potential responsibly—balancing speed with scalability—while sharing real-world lessons on product innovation, data use, and shaping teams for the AI-powered startup era.
