TRANSFORMING BUSINESS WITH GENERATIVE AI: INSIGHTS FOR C-SUITES

September 24, 2025

5:30 PM-9:00 PM

Eastern Time

This session will focus on the transformative potential of generative AI in reshaping business models and driving innovation. Executives will discover how to leverage AI to optimize processes, enhance decision-making, and create new value propositions. The discussion will include case studies, best practices, and strategies for overcoming common implementation challenges.

TOGETHER WITH
