### HOW TO DRIVE AI IMPACT WITH AI-READY DATA

**March 03, 2025**

6:30 PM-9:30 PM

Eastern Time

Data leaders worldwide are now told to pursue GenAI to drive innovation, top-line revenue growth and

productivity. However, without the right data, those GenAI projects might be stuck in experimentation. Discover how AI-ready data fuels GenAI that can grow and scale. Join a select group of data leaders and discuss the importance of a strong data management foundation for GenAI that successfully scales across the enterprise.
