THE FUTURE OF IT & CYBER - ADVISORY BOARD MEETING

June 25, 2024
6:30 PM-10:00 PM
United Kingdom Time

Join C-Vision International for an exclusive dinner where senior IT and cybersecurity leaders will convene to discuss "The Future of IT & Cyber." This meeting will focus on the rapidly evolving landscape of technology and cyber threats, emphasizing strategic foresight and collaborative planning. Key topics will include the impact of emerging technologies such as AI and blockchain, the latest trends in cyber threats, and best practices for digital transformation. Participants will engage in rich discussions to develop forward-thinking strategies, ensuring robust cyber resilience and alignment with future trends. This dinner provides a unique opportunity to network with peers, share insights, and shape the future of IT and cybersecurity in a dynamic and ever-changing environment.
