TRANSFORMATION DURING DISRUPTION: A SMART PATH

November 22, 2022

5:30 PM-9:00 PM

United Kingdom Time

Economic uncertainty and geo-political turbulence can paralyze organizations during the very time they need to invest in innovative IT. These same organizations often find that vendor-driven product roadmaps can stifle rather than aid growth. Join this roundtable discussion to learn how savvy leaders are successfully adjusting their business and IT priorities, reinvesting budgets to drive growth, and taking a smart path to business transformation during times of great disruption.
